GET INVOLVED ON **A LOCAL LEVEL!**

Search sections to **connect with like-minded individuals in your area** for professional growth and local networking opportunities.

HOW IT WORKS:

1. **Click on the Section/Student Chapter Search** at the top of the SME home page at **www.smenet.org**
2. **Search the map** to locate a Professional Section in your area
3. **Use the table** to find the contact information for your Professional Section

SME ARKLATEX SECTION®

If there isn't a Professional Section in your area, contact the SME Section Coordinator at sections@smenet.org to start a section.
