

## A Note from the SME Board:

Thanks for those who attended our October Meeting at the Colorado School of Mines. Our presenter Rhett Howell, Maptek, presented on Digital Underground Face Mapping of the Eagle Lundin Mine. Great presentation and turn-out from our members and the students!

Our meeting for November will be a Happy Hour in the Denver Tech Center (November 17)!

Keep up to date and get more details on events by visiting the [SME CO Section Website](https://community.smenet.org/colorado/membership).

## Health and Safety

### The most dangerous holiday? Thanksgiving!

Believe it or not, the most dangerous holiday in the United States is Thanksgiving! Between icy roads and families experimenting with turkey fryers, this holiday is packed full of hazards.

Turkey fryers are the leading cause of nearly 4,300 fires and nearly \$27M in property damage during the holiday season.

Plan and prepare for any trips or travels you're taking and pay attention while on the road. Be safe and enjoy some time off with family and friends!

## SME Colorado Section Member Renewals

# Upcoming Events & Highlights

## SME CO Section and CO School of Mines [October 20, 2022]

Students and CO Section Members held a joint meeting in October at the Colorado School of Mines campus. Speaker, Rhett Howell, presented on "Digital Underground Face Mapping at the Eagle Lundin Mine."

Thanks to all who attended the dinner and event! We look forward to seeing more members and students at future events and meetings! (Richard Schwering photo)

## SME CO Section Minerals Education Coalition hosts display at Girl Scouts Day at Dinosaur Ridge [October 8, 2022]

Volunteers from the SME CO Section / SME Minerals Education Coalition, Women in Mining, and the Colorado School of Mines SME Student Chapter visit with Girl Scouts, parents, and families to discuss the vital role that mineral resources and mining play in our lives. Many thanks to CO Section and WIM volunteers Dick Beach, Stacy Boase, Bobbi Martinez Hernandez, Karen Jass, and to Mines Student Chapter volunteers John Dill, Sean Findley, Kendal Helbig, Trinity Kelly, and Jen Kinch, who had a great time staffing the display.
