

SME/UGA/SPE Annual Ralph Goodell Memorial SCHOLARSHIP GOLF TOURNAMENT

Thursday September 15th 8:00 am

Stonebridge Golf Course West Valley City, Utah

It's time for another great round of golf at Stonebridge GC, with all proceeds going to the scholarship funds of the Society of Mining, Metallurgy and Exploration (SME), the Utah Geological Association (UGA), and the Society of Petroleum Engineers (SPE). The format will be an 18-hole four-person scramble - fun for all players no matter your skill level. If you wish to play with a co-worker, friend, or your spouse, we will accommodate you, assuming the pairings will not give an unfair advantage. Get there early to enjoy a complimentary Continental Breakfast with pastries, bagels, fruit, coffee, and juice. After golf, enjoy a delectable BBQ lunch, followed by announcement of the winners and prize drawings!
