Missouri University of Science  
& Technology

The Officers and Board members of the St. Louis Section of SME invite you to attend our Annual President's Night Reception. [Our guest of honor for 2019 will be SME President Hugh Miller.](#) Hugh will be discussing SME updates and academic program challenges.

### Hugh B. Miller

#### *Biographical History*

**Dr. Hugh B. Miller** is an Associate Professor in the Mining Engineering Department at the Colorado School of Mines (CSM), where he teaches courses and conducts research in a variety of subjects including mine design & operations, project feasibility, waterjet technology, occupational safety, and excavation systems. Before joining CSM in 2005, Hugh spent 6 years teaching at the University of Arizona, Mining & Geological Engineering Department and was the Director of the San Xavier Mining Laboratory and Co-Director of the International Center for Mine Health, Safety, and Environment. Prior to entering academia, Hugh worked 13 years for several mining and engineering companies in capacities ranging from operations to management, including four years as Director of Operations for International Engineering Technology, Inc. (IET). Through his career, he has served on the Boards of numerous companies and professional organizations and regularly consults in the technical and economic evaluation of mines and mineral resources, as well as the integration of new technologies and equipment in mining and excavation. Hugh is currently serving as the 2019 SME President.
