Great News! The Carlson Software SME Sporting Clays Event is scheduled for Saturday, September 12 at the Bluegrass Sportsmen's League near Wilmore, KY.

Please mark your calendar for this year's local SME Foundation/Central Appalachian Section fundraising sporting clays shoot. Carlson Software is proud to sponsor the event, and has donated cash prizes for the top three teams: \$1,000 for first place, \$500 for second place, and \$300 for third place. Each team will consist of 4 shooters. You may register your own 4-person team, or you may sign up as an individual. Individual registrants will be automatically assigned to a team.

This event is going forward with a strong focus on safety. Social distancing will be required, and the use of masks will be encouraged. Our members and others from the community are looking for opportunities to network and have some fun in a safe environment.

We hope your company can provide a team to compete in this event. You can fill out the bottom of this form and return it Geaunita Caylor at g.caylor@uky.edu. Alternatively, you may fill out a registration form at the below link <https://carlsonsportingclays.eventbrite.com>
