

September 2022 Newsletter

Welcome!

We kicked off our 2022-2023 season with another successful SME Colorado Section Golf Tournament in August! A huge thank you to all who participated, to our sponsors, and to Arrowhead Golf Club. We have a lot of social events and opportunities planned for this year to connect folks within the mining industry and provide a space for knowledge sharing. We have two events planned for September 2022 and many more throughout the year! Keep up to date on events through the [SME CO Section Website](#).

Health and Safety

Emergency Preparedness

Make sure you are prepared for business and home emergencies by properly stocking any kits, communicating safety plans, and performing any drills or tabletop exercises.

As with the changing of seasons, make sure you are equipped with proper gear to get you through any situation that may arise.
