Health and Safety Minute

Out of an abundance of caution during the current coronavirus pandemic, the Colorado Section of SME has suspended all in person meetings for the foreseeable future.

Section Update

Greetings members. This will be my final newsletter as Chair of the Colorado Section. It has been an honor and a privilege to serve in this capacity for the last two years, but the time has come for a new Board to be elected. The current Board is pleased announce the nominees for the 2020-2021 Board of Directors. Traditionally, The Colorado Section of SME board member elections are held during the annual May Gala. Unfortunately, the 2020 May Gala has been cancelled. The board of directors has opted to hold the election on-line through a Google Doc survey form. The board member voting will be open from May 18th – May 29th and all section members are encouraged to participate. An email with the instructions for the voting process will be emailed once the voting process is open. The candidates for the 2020 – 2021 Board are as follows:
