

KHANITRA

KHANITRA

ANNUAL MINING CONFERENCE

Organized by

SME INDIA SECTION

ABOUT US

SME

The Society for Mining, Metallurgy, and Exploration is a non-profit professional society whose more than 20,000 members represent all professionals serving the mineral industry in more than 85 countries. SME members include engineers, geologists, metallurgists, educators, students, and researchers. SME advances the worldwide minerals community through information exchange and professional development.

A member society of the American Institute of Mining, Metallurgical and Petroleum Engineers (AIME), SME's roots date back to 1871 when a handful of coal mining engineers founded AIME. Since its inception, SME has continued to evolve over the years to stay abreast of industry changes and to reflect the ever-broadening interests of its members. SME is organized into seven distinct divisions - Coal & Energy, Environmental, Industrial minerals & Aggregates, Mineral and Metallurgical Processing, Mining and Exploration, Underground Construction Association (UCA) and WAAIME - the woman's auxiliary to the AIME. These divisions reflect the rich diversity of the SME membership and serve as the framework for SME's committee structure. Publications, professional registration, peer-review of technical papers, college accreditation programs, meetings and exhibits, public education, and SME short courses are just a few examples of dynamic activities taking place in SME

The local section is a legally constituted unit of SME, encompassing a specific geographical area. Local Sections encompass a specific geographical area with more than 50 local SME Sections worldwide. Sections facilitate the exchange of information and increase participation in SME programs and services. Members have the opportunity to network with their peers and hear valuable presentations through section events and meetings. Sections help enhance the professional development of their members and provide local service to the public.

SME INDIA SECTION

India Section, Society for Mining, Metallurgy & Exploration (SME), was inaugurated in May 2019. It was found with the sole purpose of kindling curiosity and interest in the minds of the students & Professionals of the field of mining engineering. The society collectively works in the way of making our presence known to the world as a potential body of mining engineers, We serve as the interface between global mining professionals, Indian mining professionals, and our student members to enrich them with the benefits of SME. The member all aim to inculcate the virtues of professional attitude and involvement towards mining. We put in our best efforts to provide the members with ample global exposure so that they can learn and adapt themselves according to the rapid developments the sector is going through, and attain enough self-confidence to walk beside the leaders of mining in the world.

This professional section is the only section of SME in India presently. It will be serving the Indian student chapters of SME which are available at Indian Inst of Engrg Sci & Tech-Shibpur (IEST), Indian Institute of Technology (BHU), Indian Institute of Technology (IIT) Kharagpur, Indian Institute of Technology (ISM), and University of Petroleum & Energy Studies (UPES).

ABOUT US

SME STUDENT CHAPTERS OF INDIA:

- SME IIT(ISM) Dhanbad
- SME IIT KGP
- SME IIT BHU
- SME NIT RAIPUR
- SME IEST SHIBPUR
- SME UPES.

KHANITRA

Khanitra is a first-ever geo-mining conference that aims to gather students and professionals into a common platform to give insights and futuristic thoughts about the industry. Many activities like a Guest Talk, panel discussion, Industry expert Interaction, Virtual Treasure Hunt are also organized including some fun games to indulge students. The festival would involve students from various prestigious institutes all over the country and also the distinguished dignitaries from mining and allied industries who will be sharing their experiences with the participants. A plethora of technical events - competitions, workshops, guest lectures, Webinars, paper meet, and exhibition will be held during this conference.

BENIFITS

- Stay updated on the latest technical advances in the industry with a complimentary subscription to SME's monthly technical magazine.
- Full complimentary online access to the peer-reviewed technical papers of SME's MME journal as well as archived papers of the Minerals & Metallurgical Processing journal.
- Full access to SME's Global Mining and Minerals Library: OneMine.org where you can Search thousands of articles, technical papers, books, and other documents from industry societies worldwide.
- Network and learn at the industry's premier event. Participate in activities like the mentor program; Student Forum; career planning workshop; technical sessions and exhibit. Reduced student member registration fees.
- A comprehensive list of members, representing your peers in the mining and minerals industries. Available online on the SME website.
- Get involved early through SME Student Chapters or the Young Leaders Program.
- If you're passionate about pursuing a career in the mining and minerals industry, search the scholarship and grant listing by SME.
- Local Section and Division Membership – Network with industry professionals and specialized technical support for your interests.
- Discounted student prices available. All the best references and technical publications in the world.
- Search for job and internship listings around the world and post your resume.

EVENTS

1. GUEST TALK

Guest Talk will be organized inviting various prominent guest from industries and leading universities to provide their insights on the topic focusing on the global content for mining engineering practice, providing a review of commonly Name of the Annual Conference:-KHANITRA cited requirements for 21st-century engineering education to address the changing paradigms, engineering challenges of the 21st century, the changes in mining engineering education that are needed to produce engineers of the required caliber and competencies.

2. INDUSTRY EXPERT INTERACTIONS

Mining is much more than grinding rocks with the advent of technologies, the industry is becoming more automated than ever. The objective of the event is to inculcate the perfect approach amongst budding engineers to succeed in their careers. The event also focused on providing the students with a broad view of the opportunities and working conditions of the industry. Industry-expert interaction is the most preferred activity for mutual benefit and growth of industries as well as students. I-E-I provides the best platform for showcasing the best practices, latest technological advancements, and their implementation and impact on the industry.

3. PANEL DISCUSSION

A panel discussion is a specific format used in a meeting, conference, or convention. It is a live, in-person or virtual discussion about a specific topic amongst a selected group of experts who share differing perspectives in front of an audience.

4. VIRTUAL TREASURE HUNT

Every Problem is a clue and every clue is another problem. The geo-puzzles are designed for the keenest of the minds and become trickier as one descends deeper. Only the true mining engineers will reach the bottom of the pit.

5. SME SECTION DAY CELEBRATION

At last at the conclusion of the conference, SME Section day will be celebrated with some fun events and awarding all the esteemed present dignitaries.

SPONSORSHIP TITLES

Bank Details -

Account name - India Section of SME

Account Number - 50200057238280

IFSC Code - HDFC0002679

Bank Name - HDFC Bank

PLATINUM SPONSOR

₹ 1,25,000

- Company name, sponsorship title as 'PLATINUM SPONSOR' and logo at the backdrop and Social Media handles.
- Speaker slot in the inaugural session of the conference.
- Inclusion of Company Name and Logo In all the printed event materials and digital posters.
- Acknowledgment of sponsor at the beginning of the technical events.
- Option to have a table-top stand in refreshment room during all breaks

GOLD SPONSOR

₹ 1,00,000

- Company name, sponsorship title as 'GOLD SPONSOR' and logo at the backdrop and Social Media handles.
- Speaker slot in the closing ceremony of the conference. Inclusion of Company Name, sponsorship title as 'GOLD SPONSOR' in all the printed event, materials, and digital posters.
- Acknowledgment of sponsor at the beginning of the technical events.
- Option to have a table-top stand in the refreshment room during all breaks.

SILVER SPONSOR

₹ 75,000

- Company name, sponsorship title as 'SILVER SPONSOR' and logo at the backdrop and Social Media handles.
- Inclusion of Company Name, sponsorship title as 'SILVER SPONSOR' in all the printed event, materials, and digital posters.
- Acknowledgment of sponsor at the beginning of the technical events.

BRONZE SPONSOR

₹ 50,000

- Company name, sponsorship title as 'BRONZE SPONSOR' and logo at the backdrop and Social Media handles.
- Inclusion of Company Name, sponsorship title as 'BRONZE SPONSOR' in all the printed event, materials, and digital posters.
- Acknowledgment of sponsor at the beginning of the technical events.
