JUNE 18-20, 2019

**ITASCA COMMUNITY COLLEGE
GRAND RAPIDS, MN**

**Sara.Welna@
state.mn.us**

**MMEW MN
Minerals
Education
Workshop**

The MMEW is a three-day workshop for K-12 Earth Science educators and pre-service teachers that offers short courses and field trips focused on the geology and mineral resources of Minnesota brought to you by regional mining and mineral experts. Participants receive resource materials including rock & mineral samples, lesson plan ideas, posters, & maps.

REGISTRATION

**Early Bird \$45 (ends 5/13)
Regular \$60**
